

Welcome to Mischfutter Werke Mannheim GmbH!

1. Drive your truck to the weighbridge.

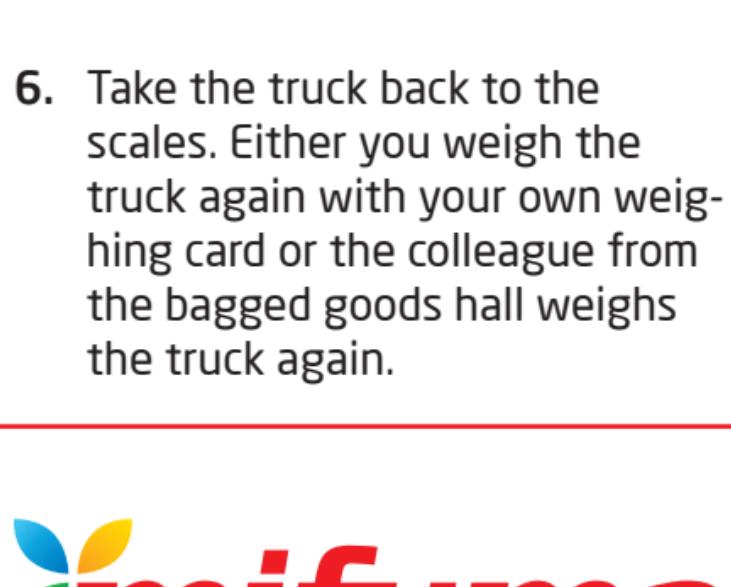

- 2.a Do you have your own weighing card from your shipping company? Then please weigh yourself and hold the card up to the reader until it beeps.

- 2.b Is your shipping company's own weighing card not available? Then please register via the ramp at the bagged goods hall.

The colleagues need the customer's name or the location of the recipient of the goods. The colleague weighs with the „Sackware 1“ or „Sackware 2“ card.

3. Drive your truck to the ramp. Load your goods after consulting with our employee.

4. Please give the „Warenausgabe“ (goods issue) slip attached to the goods to our employee.

5. The employee completes the delivery bills and hands them back to you.

6. Take the truck back to the scales. Either you weigh the truck again with your own weighing card or the colleague from the bagged goods hall weighs the truck again.
